The Adventurer Club

Grow • Serve • Explore • Together

Philosophy

The Adventurer Club is a Seventh-day Adventist church- sponsored ministry open to all children ages 4-9, in which the church, home and school join together to help children grow joyfully in wisdom and stature and in favor with God and man.

The Adventurer Club is offered to assist parents in making the development of their child richer and more meaningful.

The Adventurer Club provides fun and creative ways for children…

Objectives

1. to develop a Christ-like character;
2. to experience the joy and satisfaction of doing things well;
3. to express their love for Jesus in a natural way;
4. to learn good sportsmanship and strengthen their ability to get along with others;
5. to discover their God-given abilities and to learn how to use them to benefit self and serve others;
6. to discover God's world;
7. to improve their understanding of what makes families strong;
8. to develop parental support for the training of children.

Are you getting enough PROTEIN? Let's find out.

Protein helps build and repair tissues, keeps you full longer, supports your immune system, and gives you energy. Here are some common foods and how much protein they provide per serving.

- Chicken Breast (3 oz cooked) 26 g protein
- Salmon (3 oz cooked) 22 g protein
- Eggs (2 large) 12 g protein
- Lean Beef (3 oz cooked) 22 g protein
- Black Beans (1 cup cooked) 15 g protein
- Quinoa (1 cup cooked) 8 g protein

Quick Guide: Most adults need about 46–56 grams of protein per day (depending on your age, activity level and goals).
